I'M SO GLAD YOU'RE HERE!

If you are looking for a bridal makeup artist that really listens, is detail oriented, and feels cozy and calm, you've found me! Your wedding makeup is so much more than just lipstick and foundation.

I'm with you every step of the way: providing informative guides, expert vendor recommendations when asked, and putting together streamlined day of timelines. Because I know that being a bride can be stressful, and the last thing you need to worry about is who is touching your face on the biggest day of your life.

Throughout this pricing guide, you will find every tid-bit of information you could want about my services and pricing. However, if there's anything I forgot or that you need help with, *feel free to reach out* at any time!

With love,
Rachel
